

The latest clinical data...

...on your doorstep

Primary care staff can access our comprehensive database of medical books and journals, as well as CINAHL and MEDLINE, in our purpose-designed Library and Information Centre in the peaceful and attractive grounds of Benenden Hospital.

A charge of just £50 per year, per practice enables general practitioners, practice nurses and other practice staff complete access to our resources during working hours. 24-hour access to the facilities can also be arranged.

Benenden
Hospital Trust

Our qualified Medical Librarian is available to help you and can offer on-line search training plus assistance in locating journals, books and specific articles.

This is the best local facility to update yourself on clinical developments or to get together with colleagues for a medical

meeting. You could also use our conference or meeting rooms for a practice awayday.

Why not pay us a visit to see our state-of-the-art facilities and comfortable study areas. Ample free parking and a full refreshment service are also available.

For more information contact the Medical Librarian,
Lesley Gould BA, MA, Dip.Lib,
01580 242439 or e-mail hospital-training@benenden.org.uk
